

Agenda
Finance and Policy Workgroup
11 AM - 12:30 PM, Wednesday October 19th
1650 Mission, 3rd Floor, Policy Room

Below is a short description of where we got to last meeting. For the meeting on the 19th, I would like to begin to list out:

1. Programs that that are funded by State and/or Federal dollars, but which have no City dollars.
2. Programs (or services) that are funded in the private pay market, but have no public money in them.
3. Programmatic concepts that are not represented in San Francisco, but which exist other places and are possible here (e.g., Medicaid waiver funded assisted living or adult foster care; services funded with subsidized long-term care insurance programs, etc.)
4. Various existing sources that explore need for services in San Francisco.
