

**Housing and Services Workgroup
February 9, 2009**

1. MOH Housing Modifications available for tenants.

The existing programs limited to home ownership may be able to be expanded to renters as well. However, this may need to go through another program. Possibly, other CDBG funds will be needed to support this effort. Myrna Melgar, director of single family programs, will come next month to explain this possibility.

2. Email Alert for housing openings

How will this list be accessed? What will be included?

3. Targeted accessible units for people who need them

First effort is to have a meeting with Doug Shoemaker, Anne Hinton, and Susan Mizner. This will be provided for all agencies who work with people who need accessible units.

4. Comments on Housing Element – Bill to send out.
5. Bill to ask Sara Dennis at City Planning about a presentation on the Housing element.
6. Targets for 2009 Priorities
 3. Email Alert System
 2. Targeting accessible housing units to people who need them.
 7. Potential for homeowner and tenant modifications
 6. Design of trainings for staff of shelters and supportive housing.

Agenda for March meeting:

1. Housing Element Review
2. MOH on tenant modification fund.
3. Follow up on targeting accessible housing units for people who need them.
